

The NIX Range

PANELS & LAMINATES

Introducing

THE NX RANGE by NX Decor, a premier series of Australian-made panels crafted with superior finishes, exceptional quality, and a design-led focus. Our unwavering commitment to innovation and excellence ensures that each product meets the highest standards for your design aspirations.

Thank you for choosing NX Decor.

A handwritten signature in black ink, appearing to read 'M. Ho', written in a fluid, cursive style.

M. Ho, Founder NX Decor

What's Neu?

From the German for new, **THE NX RANGE** represents our design and engineering approach to meet the highest standards of design visionaries worldwide.

CONTENTS

Neumatte

Laminate

LONG-LASTING, CUSTOMISABLE PANELS FOR HIGH-TRAFFIC SURFACES

**You Make the
First Impression,
We'll Make It Last.**

NX Decor, a brand of Urban Republic Pty Ltd, was established in 2008 to cater to the RV & mobile homes market. With our rapid expansion, we introduced the NX brand in 2014, debuting Supergloss - the first superior mirror-effect high-gloss flat panel for the RV industry. This innovation positioned NX as a leader in design excellence.

Since then, we have partnered with architects and interior designers to craft beautiful homes and commercial workspaces, offering a comprehensive collection of high-quality panels tailored to their exacting standards.

**In 2023,
NX Decorative
Panels were
certified as
Australian Made,
representing
our commitment
to quality, trust,
design and
engineering
in Australia.**

CRAFTING EXCELLENCE

NX Decor specialises in high-quality panels made in Australia, perfect for creating luxurious and durable interiors.

INNOVATIVE SOLUTIONS

Since 2014, NX Decor has led the market with pioneering products like Supergloss - our superior mirror-effect high-gloss flat panel, setting new standards in design.

TRUSTED QUALITY

Our panels are fingerprint-resistant, moisture-resistant, easy to clean, and highly durable, making them ideal for high-traffic areas and versatile applications.

DESIGNED FOR YOU

NX Decor offers a vast collection of customisable panels to fit the unique needs of architects and interior designers, ensuring every project stands out.

AUSTRALIAN MADE

Certified in 2023, our panels embody authenticity, quality, and trust, providing assurance for every design endeavor.

ENDURING BEAUTY

With features like thermal healing, soft touch, and low light reflectivity, NX Decor panels combine functionality with aesthetic appeal.

VERSATILE APPLICATIONS

From splashbacks to benchtops and wall paneling, our products are designed for both vertical and horizontal applications, offering endless design possibilities.

SUSTAINABLE LUXURY

NX Decor is committed to sustainability and innovation, delivering premium panels that enhance the beauty and functionality of any space.

WITH A REFINED FINISH

01 LUXE

02 STUDIO

03 CONTEMPORARY

04 SUPERMATTE

Neumatte

LUXE

Luxurious, sophisticated matte finish laminates and panels with thermal healing and micro scratch-resistant features.

AVAILABLE FORMATS

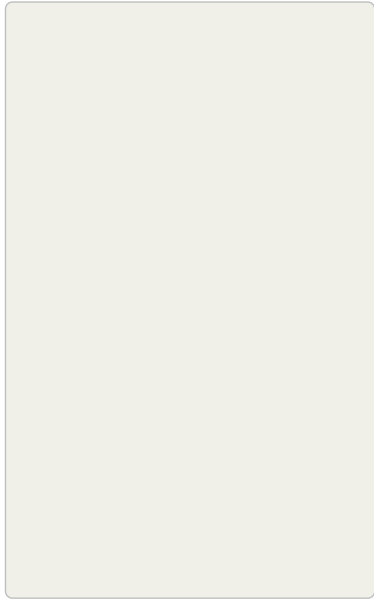

- High-Pressure Laminate (3050 x 1220mm)
- Decorative Panels
 - Plywood (2440 x 1220mm)
 - MDF (3000 x 1200mm)
 - Refer to Substrate Information page for more details.

FEATURES

- Thermal Healing
- Fingerprint-resistant
- Durable
- Soft Touch
- Stain-resistant

APPLICATIONS

Splashbacks, Square Edge Benchtops, Cabinetry, Wall Panels, Doors & Drawers

KAOLINITE WHITE
UCL6037H

ANTHRACITE GREY
UCL6034H

DIOPTASE GREEN
UCL6039H

SODALITE BLUE
UCL6036H

OBSIDIAN BLACK
UCL6035H

THERMAL HEALING

The thermal healing feature enables the surface to self-repair micro scratches when exposed to heat, such as by using a warm, damp cloth to eliminate the scratches effectively.

Laminate

POST-FORM

Resilient for seamless curves.

AVAILABLE FORMATS

- High-Pressure Laminate (3660 x 1400mm)
- Decorative Panels
 - Plywood (2440 x 1220mm)
 - MDF (2400 x 1200mm)
 - Refer to Substrate Information page for more details.

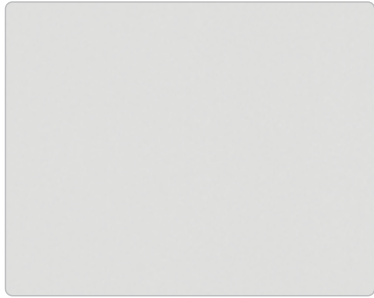

FEATURES

- Post-formable
- Impact Resistant
- Moisture-resistant
- Easy to Clean

APPLICATIONS

Splashbacks, Square-Edge Benchtops, Post-form Benchtops, Cabinetry, Wall Panels, Doors & Drawers

SUBSTRATE INFORMATION

SUBSTRATE				
	PLYWOOD	MEDIUM DENSITY FIBREBOARD (MDF)	PARTICLE BOARD	RE.LITE
COMPOSITION				
	Plywood is made of thin sheets of wood veneer that are laminated in alternating directions.	Medium Density Fiberboard is made of fine wood fibers that are glued and compressed under great pressure.	Particle Board is a combination of wood chips, shavings, fibers, and adhesives.	Re.Lite is a structural foam core made entirely from 100% recycled materials, designed specifically for sandwich applications.

CARE & MAINTENANCE GUIDE

Our laminates and decorative panels offer strength and durability while looking great in your home or office. With proper care and maintenance, you can extend their lifespan and keep them in excellent condition. Here's how:

TIP 1 - DUST REGULARLY

Dust the surface regularly with a soft, lint-free cloth or feather duster to remove any loose dirt or debris.

TIP 2 - CLEAN GENTLY

Soak a soft, clean cloth or sponge in a solution of warm water and a mild non-abrasive cleaner. Wring it to remove excess water and wipe the surface with the damp cloth or sponge. Using a clean, soft, dry cloth, wipe the surface again to remove any moisture.

Note: Do not leave moisture on the decorative surface. Prolonged exposure to moisture can potentially affect its appearance.

TIP 3 - AVOID HARSH CHEMICALS

Do not use abrasive cleaners, harsh chemicals or solvents as well as steam cleaning tools, as they can damage the decorative surface. These may include:

- Bleach
- Acetone and products containing it
- Ammonia
- Polishes
- Waxes

Buyers are advised to reconfirm selected laminate colors when placing orders, as our liability does not include claims arising from sample chip pasting errors. NX Decor also advises buyers to inspect their products thoroughly prior to fabrication and to immediately report any defect or discrepancy found. Do note that goods sold and once cut, cannot be refunded or exchanged. Subject to the Australian Consumer Law (if applicable), the buyer's sole and exclusive remedy for any non-compliance with the express warranties set forth above and in our further warranty terms shall be limited to the replacement of the defective product at our sole discretion.

To the maximum extent permitted by law (including the Australian Consumer Law), NX Decor shall not be liable for more than the purchase price of the product, in either tort or contract or otherwise, for any loss, damage, or injury in connection with or arising from the purchase, use, or inability to use this product, or for any special, indirect, collateral, incidental, consequential, or exemplary damages such as, but not limited to, loss of anticipated profits or other economic loss.

Retaining all documentation after purchasing laminate and the actual defect laminate as in final application state will significantly expedite claim resolution. Rectification, modification, or removal of defect laminate from the last state of application prior to our onsite inspection shall invalidate any product warranty given by us.

Please note that the above terms are non-exhaustive and do not form the full terms in respect of the sale and purchase of our products. Please refer to our 'Standard Terms of Sale' and the 'Urban Republic Decorative Panel Warranty' on our website at www.nxdecor.com.au/product-policies for the full terms and conditions.

Introducing The NX Range by NX Decor, a premier series of Australian-made panels crafted with superior finishes, exceptional quality, and a design-led focus. Our unwavering commitment to innovation and excellence ensures that each product meets the highest standards for your design aspirations.

Thank you for choosing NX Decor.

M. Ho, Founder NX Decor

NX Decor Decorative Panels are certified Australian Made and meet the Greenguard Gold standard.
